

ASX ANNOUNCEMENT/MEDIA RELEASE

9 April 2018

Cervantes Capital Raising

Cervantes Corporation Limited (ASX: CVS) (Cervantes) or (the Company) is pleased to advise that as a result of the recent shareholders meeting and approval of additional capital raising facilities, the Company has placed all of the available shares and attaching options.

40,199,593 fully paid shares together with 13,399,864 (one for three) free attaching options were placed to professional investors under ASX listing Rule 7.1 to raise \$281,397. This will require a further shareholders meeting to refresh this facility for future funds if and when required.

In addition, and as a result of the enthusiasm of a number of investors, the full 50,000,000 fully paid shares with 25,000,000 (one for two) free attaching options approved at the recent shareholders meeting were placed to professional investors under ASX Listing Rule 7.1 to raise \$500,000. Further calls and communications were received, but the Company was unable to accommodate these applications until the 15% facility revised calculations come into effect after the current shares are issued.

Cervantes would once again like to thank the ongoing support of the local Chinese community and existing shareholders and clients of New York Securities Pty Ltd (AFSL 317392) in completing these placements.

Cervantes can now comfortably move forward knowing that all current exploration and drilling commitments can be met, to allow the Company to further evaluate and develop all of its projects, as well as meet other commitments and working capital requirements.

Your Directors look forward to making further ongoing positive announcements in the near future as news from the exploration programs and corporate activity develops.

Further details regarding the placements and terms of the options are set out in the accompanying Appendix 3B's.
